

PROXIMITY DATA CENTRES

EDGE 2 WAKEFIELD

Proximity's Edge Data centre in Wakefield provides local data centre hosting with low latency and transit costs for the Yorkshire population of 2.35 million.

Proximity's Wakefield data centre is situated just eight miles from Leeds and is easily accessed from the M1 motorway. Acquired by Proximity in 2020 this carrier-rich facility now provides colocation services to a range of clients and business recovery services.

All of our data centres come with simple contracting and full UK-based support, transition, and onboarding to make sure your data operations keep running smoothly.
